## EXHIBIT 27

Steven A. Haist, M.D.

Thomas vs. ECFMG, et al.

January 17, 2014

	Page 5		Page 7
1	a very junior faculty member running the internal	1	A. Twice a year.
2	medicine clerkship; and I was in charge of the	2	Q. During your membership on these committees
3	evaluation of the clerkship and worked with him for the	3	were you an NBME employee?
4	first three or four years that he was doing it, help	4	A. No.
5	him get his legs under him.	5	Q. Do you have any certifications or licenses
6	Q. Currently are you working as a practicing	6	outside of the degrees you told me?
7	physician?	7	A. I'm board certified in internal medicine.
8	A. No; I was, up until a year and a half ago.	8	I've got a Masters in Medical Education. I don't think
9	Q. What do you do now?	9	there is anything else. I mean, I've got state medical
10	A. Same thing I was doing since 2008: I work in	10	licenses in Kentucky and Pennsylvania.
11	test development services at the National Board of	11	Q. Do you have any certifications, licenses or
12	Medical Examiners.	12	background in statistics?
13	Q. Test exam services?	13	A. Not outside what my masters degree had. I had
14	A. TDS: Test Development Services.	14	four or five courses in statistics.
15	Q. Can you please tell me what your role is?	15	Q. Under your current title as VP of test
16	A. Vice-president for test development services.	16	development services, could you tell me specifically
17	Q. What are your job responsibilities under that	17	what role you play in the Step 2 CK exam?
18	title?	18	A. The staff of test development services runs
19	A. Overseeing the development of test materials	19	the committees where the questions are generated and
20	for multiple different examinations.	20	the committees where the questions are reviewed, and my
21	Q. When were you first hired by NBME?	21	staff run the computer software that puts the
22	A. July 7, 2008.	22	examination together. And we, you know I guess
23	Q. Before coming on to NBME as the test	23	that's pretty much it in a nutshell, involvement with
24	development services VP, did you do any other work for	24	Step 2 CK.
	Page 6		Page 8
1	NBME?	1	Q. And Step 2 CK is every question that is taken
2	A. Yes: I was a committee member for fourteen	2	on an exam date used toward the final score?
3	years.	3	A. No.
4			11. 110.
